Dear Foy:

Thank you for your kind letter of December 20. I regret also not seeing you during my stay in Glendale, but I thoroughly understood your schedule and the weather.

I know of no man in the Fidelity Enterprises Organization that I esteem more highly than your nephew, Don Tudor.

I regret that I was out of town during your meeting with the Woodlawn church. I heard many good reports of the week.

May the Lord bless you in your continued good works.

Fraternally yours,

John Allen Chalk

December 20,

Dear John Allen:

Received your note and have already entered your name for EDITORIALY SPEAKING. What I began about fours ago as a means of keeping up with friends and churches has almost gotten out of hand. Of course I appreciate the response this little paper has received.

I tried to get over to Glendale when you were there, but you remember the weather? I had not seen such California weather since we have been here or the years before when I came out for meetings.

I am home for a few weeks, and preaching in this area until I hit the road again shortly after the first. Meeting work is rewarding in so many ways, especially so after all the years I spent in local work, but being away most of the time isn't easy. I will start my fourth year of meeting work April 7th., God willing.

I would love to sit down and get acquainted one of these days. I had a great meeting in October in Abilene with Woodlawn--my second there, but know you were busy.

Don Tudor, my nephew, of Fidelity, speaks highly of you and your work.

God bless you and I pray for you and yours a Happy Holiday Season,

Foy L. Smith
